

What does the number 11 mean to you?

Before you say nothing, think about this...

The 4th of July ($4+7=11$) is the date the United States was created...

911 ($9+1+1=11$) is the phone number for emergencies...

The terrorist attack on New York and Washington took place on September 11th ($9+1+1=11$)...

The first flight to hit the Twin Towers was Flight 11.

It had 92 ($9+2=11$) passengers on board ...

The area code for Iraq and Iran is 119 ($1+1+9=11$)...

And the list goes on.

THE DREAMER WHO UNLOCKED THE SECRETS OF THE UNIVERSE

The Adventures of Don Quixote in Miami

Manuel Martinez and Phyllis Barnack

Rarely does a novel combine elements of fact, a fascinating story and a truly unusual character.

Dr. Sebastian Camote is a world-renowned psychiatrist.

He believes that he was Don Quixote in a previous life. His story takes place after his death when his soul has traveled to the afterlife and discovers that the numbers in the Bible are a code.

Has he discovered the power of magic, love, numerology, karma and eternal life?

Will the number 11 ultimately decide the fate of the world?

Read the novel that will make you wonder...
